

A Contentious Drinking Game

The fun, fast and bitchy card game where players contend to put on the best Drag Show possible while making sure their “sisters” don’t shine too bright.

Be the first player to earn 10 GLAM points of audience applause to win the game.

If you’re including alcoholic beverages, you must be of legal age. Do not drink and drive!!

How to Play

A single Drag Show deck allows 2-4 people to play.

Find the four green **Drink a.....** cards. Shuffle only 1 per player into the deck (unless your liver is already pickled, then by all means, use as many as you want). Put all the GLAM point tokens in the middle of the play area.

Deal out 5 cards to each player and put the rest of the deck (face down) in the middle of the table.

Whoever was the last person to wear a wig goes first, or just pick someone at random.

On your turn you may PLAY 1 CARD from your hand to the discard pile. After you play a card, draw a new one from the deck (you should always have 5 cards in your hand).

The next player on your left takes a turn.

The game ends IMMEDIATELY when someone earns their 10th GLAM point.

Bitch Moves

If you play one of the pink BITCH MOVE cards on your turn, you must choose someone to discard the number of GLAM point tokens shown from their stash. *Obviously, they can't have a negative number of tokens.*

Show Moves

If you play one of the blue Show MOVE cards on your turn, you add the number of GLAM point tokens shown to your stash from the central collection.

Players must keep their stash in plain view to everyone.

Drink Cards

The green DRINK cards work differently.

The **DRINK a** cards get played in front of another player and are NOT discarded. At the beginning of that player's turn, they **MUST** lose 1 GLAM point.

The only way to get rid of a DRINK card is to play a **PASS the DRINK** card on your turn to give it to someone else.
